Restrictions

Paragraph (10)

Licensed organizations must purchase their product from a licensed wholesaler.

NOTE: Licensees must purchase all wine or beer from liquor or beer wholesalers or breweries/brewpubs authorized to self-distribution to retail licensees. Your license is considered a retail license. Therefore, your alcohol must be purchased from a licensed alcohol distributor. Sam's Club, WalMart, etc. are all retailers and, therefore, cannot sell alcohol for resale purposes. By law, the distributor is required to sell the alcohol to you at the same price as they sell the alcohol to for other licensees purchasing in the same quantities.
